

## *Cursive First - For The Olders*

This program are for those children who have a good grasp at the formation of all of the letters of the alphabet, and are comfortable connecting letters (or those who have been consistently doing cursive for at least 1 year). If your child needs to refresh his/her memory by looking at how letters are formed, that's okay. Consistent copy work will help to build confidence and skill.

Included in this printable are Thanksgiving Quotes and poems and themed handwriting paper.
